Enthusiastic engineering student with hands-on experience in Google Cloud through Skills Boost and Arcade Program. Strong in Python, SQL, and problem-solving, with a keen interest in cloud computing, backend development, and scalable systems.

EDUCATION

Sri Venkateshwara College of Engineering

B.Tech in Computer Science & Engineering (CGPA:8.5)

Tirupati, AP

Intermediate (Class XII)

Percentage: 98.7%

Andhra Pradesh

Class X

Percentage: 99.3%

Andhra Pradesh

KEY ACHIEVEMENTS

- Google Cloud Skills Boost & Arcade Program – Google Cloud
- Completed hands-on labs on Compute Engine, Cloud Storage, IAM, and Kubernetes
- Earned badges by solving real-world cloud challenges
- Gained practical experience in deploying and managing cloud resources

TECHNICAL EXPERIENCE

Google Cloud Skills Boost & Arcade Program

- Completed multiple cloud-based labs and challenges
- Hands-on exposure to GCP services like Compute Engine, BigQuery, and IA.

PROJECT

LLM-Based Assistant Python

- Built a lightweight assistant for research, problem-solving, and content generation using Python
- Designed workflow to process user queries and generate structured responses
- Integrated AI-assisted logic for automating repetitive research and text-based tasks
- Focused on usability for quick information retrieval and productivity enhancement

Animated Student Registration Form

- Developed an interactive student registration interface with responsive design
- Implemented animations and transitions to enhance user experience
- Structured form layout for usability and clarity in data input

Freshner Project

- Developed a project applying core programming concepts across design, execution, and testing phases
- Worked on structuring application logic and validating outputs through testing
- Focused on understanding end-to-end development workflow

TECHNICAL SKILLS

- **Programming:** C,Java,Python.
- **Cloud :** AWS fundamentals.
- **AI Tools :** AI-assisted research and automation.

STRENGTHS

- Creativity and innovative
- Time management
- Team player

CERTIFICATIONS & ACHIEVEMENTS

- Google Cloud Skills Boost & Arcade Program – Google Cloud
- Oracle cloud
